## **PART 1 – SELECTION FRAMEWORK**

### **1.0 INTRODUCTION**

Any funding directed to athletes, as stipulated in Part II, Table 3, will be a function of Karate Canada's budget and each respective athletes' status.

These Criteria will be applied to all Para National Team Roster and Developmental Para National Team Roster members.

For the purposes of this document, the term "season" designates the time period between the start of the First Senior National Team Camp (SNTC-1) and the day prior to the start of the SNTC-1 in the following year.

Any reference to the Para National Team Head Coach(es) will refer to either the individual(s) filling that / those position(s) on a full-time, part-time basis, or event basis, or an appointed temporary substitute in the event that the Head Coach position(s) is / are vacant.

The classification of "mandatory" and/or "highly recommended" events, and the points that athletes are able to accumulate at each event, will be determined by the HP Para National Team Head Coach on an annual basis, pending approval by the High Performance Para Karate Committee (HPPC) and ratification by the Board of Directors (BOD). Please refer to Part II of this document for the point allocation for each competition for the current season.

The schedule of international tournaments and/or training camps chosen for the Para Senior National Team Roster can be modified during the course of the season by giving at least eight (8) weeks notice prior to the event. Karate Canada may cancel participation in any of these events due to unforeseen circumstances, such as but not limited to, re-scheduling or cancellation of the event by its organizing committee.

Please note that Karate Canada reserves the right to amend these Criteria after the date of their original publication, in accordance with the primary objective of enhancing Karate Canada's chances of obtaining podium results and achieving success at certain WKF and/or PKF competitions, and as may be required in order to align with international karate sport governing bodies (WKF, PKF...) and other external agencies / partners (International Paralympic Committee, Canadian Paralympic Committee, Sport Canada...). Furthermore, final selection of the Para Senior National Team Roster and other key strategic decisions made by the HP Para Committee remain subject to final approval by Karate Canada's Board of Directors.

## 2.0 OVERALL PHILOSOPHY AND VALUES OF SELECTION CRITERIA

The following Para Criteria are designed to parallel and to meet the mainstream Senior National Team's two objectives:

1. To ensure that Karate Canada fields the most competitive teams possible in accordance with the long term objectives of the Para Committee, and;
2. To develop future athletes as and when appropriate in order to ensure a healthy and continuous pipeline of athletes representing Karate Canada at designated events.

The values used by the HP Para Committee when developing the Selection Criteria and for decision making in selection-related matters are as follows:

- Transparency – ensuring that the selection process and decisions are clearly and fully communicated to KC stakeholders;
- Performance Excellence – ensuring that decisions and criteria are guided by the philosophy of always selecting the best possible team for Karate Canada within consideration of funding and long-term performance objectives;
- Athlete safety and well being – to ensure that athletes are not forced or coerced into over-competing and/or competing in inappropriate competitions, or at the wrong time of their training cycles.

## 3.0 HOW TO GET ON THE PARA NATIONAL TEAM ROSTERS

The subsequent selection of specific athletes to represent Canada at official WKF and PKF karate competitions during the season will:

- Occur at defined times prior to each competition
- Be based on individual status and accumulated performance / ranking points at the time of the invitation; If the status and accumulation of performance/ranking points does not clearly determine a specific athlete, the tie breaking criteria (Section 6.1) will be applied.
- Draw only from the Para Senior National Team Roster at the time of the invitation (with the exception of situations described in section 3.3 below).
- Depend on the total size of the Team at each event, as determined by Karate Canada's budget and /or by the specific tournament Organizing Committee divisions.

### **3.1 Attendance at National Training Camps**

#### **3.1.1 Senior Para National Team Roster**

For all athletes who have been issued an invitation to the 2018 (First Senior National Training Camp (SNTC-1), even in the case of injury / illness or (prescribed and active) recovery from injury/illness, the athlete will still be requested to attend. Only athletes with exceptional circumstances (such as infectious disease or other exceptional medical or family circumstances) may be approved (or requested) to not attend by Karate Canada. Please refer to the exceptional circumstances section in Section 7 below.

Please note that the status of the athlete at the time of issuance of the invitation is to be considered. The invitation to the SNTC-1 is to be issued to athletes at least 21 (twenty-one) days before the start of the Camp. If eligible athletes are not invited at least 21 (twenty-one) days before the start of the camp, they may decline the invitation without future penalty.

Athletes who have been issued an invitation to the 2018 SNTC-1 based on status, and who do not participate in the 2018 SNTC-1 without an approved exemption due to exceptional circumstances (as approved by the Para National Team Head Coach), will not be part of the Para Senior National Team Roster.

In order to maintain their status as members in good standing of the Para Senior National Team Roster, athletes will also need to take part in one of either the 2018 Kata National Training Camp (KNTC; Richmond BC, August) and/or the training camp at the 2018 Summit.

### **3.1.2 Developmental Para National Team Roster**

Even in the case of injury/illness or (prescribed and active) recovery from injury/illness, athletes will still be expected to attend at least one of the following events: 2018 SNTC-1, 2018 KNTC or the training camp at the 2018 Summit. Only athletes with exceptional circumstances (such as infectious disease or other exceptional medical or family circumstances) may be approved (or requested) by Karate Canada not to attend at least one of those 3 events. Please refer to the exceptional circumstances section in Section 7 below.

Athletes who have been issued an invitation to the training camps based on status, and who do not participate in at least one of the 3 National Training Camps listed above without an approved exemption due to exceptional circumstances (as approved by the Para National Team Head Coach), will not be part of the Developmental Para National Team Roster.

### **3.2 Citizenship Requirements**

Non-Canadian citizens may be named to the Para National Team Roster and, thereby, earn ranking points at Open tournaments and Karate Canada National Championships if and only if they are permanent residents of Canada. Only upon the attainment of Canadian citizenship will they become eligible to be named to a National Team representing Canada at Pan American Championships or Games, as well as official Intercontinental or World Championships. Non-citizen athletes on the Para National Team Roster are not eligible for funding from Karate Canada.

### **3.3 Selection of Alternates / Late Replacement athletes**

See section 6.2 for the selection process and criteria for alternates. Karate Canada is under no obligation to select an alternate for either a training camp or an international competition. As soon as an athlete is named onto a team for a specific competition as an alternate or to fill a vacant spot, he /she immediately becomes a Senior or Developmental Para National Team Roster member (as applicable), for the remainder of the season.

### **3.4 National Team Competitions**

Para Senior National Team athletes will be invited to compete in specific competitions each season. The list of targeted events for the current season is found in Part II of this document.

Para Senior National Team Roster athletes may also choose to participate in other tournaments. No KC coaching staff, logistical support nor funding will be provided to athletes participating in these additional tournaments.

#### **3.4.1 WKF Categories**

All team selection and representation in any categories is subject to WKF Para rules.

### **4.0 HOW TO OBTAIN PARA ATHLETE STATUS**

Athletes accumulate points for their performance at the events listed in Part II, and in accordance with the Rules about Status and Points. In turn, a particular status can be obtained according to the following:

By the accumulation of points as follows, as indicated in Part II and following the Rules About Points and Statuses:

- International A: 400 and over points
- International B: 251 – 399 points
- International C: 120 – 250 points
- National A: 80 -119 points

#### **4.1 Rules about Status and Points**

1. An athlete must win at least 1 bout in order to be awarded 100% of the points as listed in Part II.
2. An athlete who obtains a result, in an event with 2 or 3 competitors including themselves, will be awarded only 50% of the points as listed in Part II. An athlete who obtains a result, in an event with 4 or more competitors will be awarded 100% of the points as listed in Part II. Participation points will be awarded only if there is no other competitor in the athlete's division.
3. Points obtained in an individual division can only be accumulated within that same division. Those points cannot cross-accumulate with other individual divisions (i.e. Intellectually impaired, wheelchair, blind).

4. Only the events listed in Part II Table 2 of this document are considered for accumulation of points.

#### **4.2 Duration And Expiration of Points**

1. The start date of an athlete's ranking points is the finishing date of the event where the athlete achieved the result for which the ranking points were awarded – (see notes following Part II).
2. An athlete's ranking points are valid:
  - From the end date of a National Championship to the start date of the following National Championship for points derived from performance at the that specific National Championships;
  - From event to event, or 1 year if the event doesn't reoccur within the following season for results obtained at the USA Open Karate Championships.;
  - From event to the 2<sup>nd</sup> future edition of the event or for two (2) years if the event doesn't reoccur twice within the following two (2) seasons for points derived from a medal at the Senior Pan American Championships;
  - From event to event or for two (2) years if the event doesn't reoccur within the following two (2) seasons for points derived from a medal at the Senior World Championships;
  - For all ranking point awards that carry for a two (2) year duration, a reduction of 50% will occur on the 1st anniversary of the ranking point award and continue at that reduced amount for the remainder of the second year.
  - When an Athlete is awarded a Status through the accumulation of points, the impact on the Athlete's Status will only last as long as the points are maintained to keep that athlete within the respective brackets of statuses

#### **5.0 SELECTION CRITERIA FOR THE PARA SENIOR NATIONAL TEAM ROSTER**

\*Selection onto the Senior Para National Team Roster will occur at the conclusion of the 2018 SNTC-1.

In order to become eligible for selection onto National Teams who will participate in any Karate Canada-sanctioned events throughout the season, Para athletes will be selected in the following decreasing order of priority, at the conclusion of the SNTC-1:

- International A status-holding athletes;
- International B status-holding athletes;
- International C status-holding athletes;
- National A status-holding athletes;
- Medalists from most recent Canadian National Championships;

- 2- If the tie persists, the athlete with the highest total number of matches won at Senior World (WKF) Championships, Senior Pan American (PKF) Championships and WKF Karate-1 competitions will be selected. The period during which such matches will be considered is equal to the duration of the lowest ranking points that can be awarded for the events where these matches have been won.
- 3- If the tie persists, the athlete who obtained the best result (in that division) at the 2018 Karate Canada National Championships will be selected.
- 4- If the tie persists, final selection will be decided by the Para National Team Head Coach.

The naming of an athlete to the National Team designated to attend a specific targeted event will be made in accordance with ranking point accumulation at the time of the selection.

Unless specified otherwise in this document (see Part II, Table 2), selection onto the National Team for a targeted competition will occur no later than 30 (thirty) days before the start of this competition.

## **6.0 SELECTION CRITERIA FOR SENIOR PARA NATIONAL TEAMS AT SPECIFIC INTERNATIONAL COMPETITIONS**

In order to participate in any Karate Canada-sanctioned events, Para athletes will be selected from the Para National Team Roster and onto each specific event's National Team in the following order of priority, depending on the overall pre-set size of the Team (announced by Karate Canada at least 1 month before the start of each competition) and the number of athletes able to participate in each division at each of these events:

- 1) International A status-holding athletes
- 2) International B status-holding athletes

- 4) National A status-holding athletes;
- 5) Medalists from the most recent (2018) Canadian National Championships;

The period during which such matches will be considered is equal to the duration of the lowest ranking points that can be awarded for the events where these matches have been won.
3. If the tie persists, the athlete who obtained the best result (in that

division) at the 2018 Karate Canada National Championships will be selected.

An alternate is an athlete who is selected as a replacement to fill a spot left vacant for a specific competition or training camp after an athlete originally selected through the ordinary selection process (see section 6) has pulled out or is declared unable to participate, due to injury, illness or other circumstances.

Important: Karate Canada is under no obligation to select an alternate for either a training camp or an international competition.

### **6.2.1 Individual Divisions:**

Should a selected athlete, at any time between the official date of team selection for a specific competition or training camp and the latest possible date on which Karate Canada may modify registrations in said event, have pulled out or have been declared unable to participate, due to injury, illness or other circumstances, that athlete may be replaced by the next highest ranked eligible alternate in his or her division, according to the following priorities in decreasing order:

1. International A status-holding athletes;
2. International B status-holding athletes;
3. International C status-holding athletes;
4. National A status-holding athletes

If more than one eligible athlete holds the same status, tie breaking for the selection of alternates in individual divisions is to follow the Tie Breaking Criteria listed in Section 6.1 above.

The selection of alternates (in individual kata divisions) after exhaustion of the priorities listed above is at the discretion of the Senior Para National Team Head Coach; however, the selected alternate athlete(s) must either be a

current Para National Team Roster member, or must have participated in the most recent National Championships. Selection of alternates by the National Team Head Coach must also be approved by the HP Para Committee.

As soon as an athlete is named onto a team for a specific competition as an alternate or to fill a vacant spot, he /she immediately becomes a Senior or Developmental Para National Team Roster member (as applicable), for the remainder of the season.
