

**NOMINEE (FOR ELECTION OF DIRECTORS AT
2019 AGM):
MS. NORMA FOSTER**

POSITION SOUGHT:
DIRECTOR AT LARGE (3 years)

PLATFORM / BIO:

I would like to run for another term as a Director on the Karate Canada Board because I believe that the Directors should assume responsibility and accountability for specific tasks. We are finally in the era of Safe Sport for all and WKF is playing a key role in this initiative. Safe sport comprises physical and psychological components that can damage a practitioner's ability to participate in karate activities and negatively impact their perception of Karate for a lifetime. During 50 years of involvement in all aspects of Karate, I have personally and vicariously experienced private and public abuses that I feel strongly should never happen to any Karate Canada member who has a dream. Therefore, I would like to ensure that Karate Canada will provide impartial opportunities nationwide for all members to achieve their Karate-related goals in a safe and supportive environment. I hope you will agree that I would be the most suitable candidate to assume such a role.
