# **PART I– SELECTION FRAMEWORK**

## **1. DEFINITIONS**

**Season:** For this document, the term “season” designates the period between (and including) the 2022 National Karate Championships and the start of the 2023 National Championships. In the absence of either of these events occurring, the definition of a season will be made by the individual(s) with decision-making authority in consultation with the relevant individual(s) or Committee(s) following the stated performance objectives and selection philosophy and approach as noted herein.

**National Team Head Coach:** The term National Team Coach in this document relates to the discipline-specific (kata or kumite) Head Coach.

**National Team Roster:** The list of athletes eligible to represent Canada’s Senior National Team at competitions.

**Developmental Competition:** a competition for which no Karate Canada ranking points will be awarded yet, which would provide a growth opportunity for a targeted athlete.

**Domestic Competition:** a competition occurring within the borders of Canada and with Karate Canada being the highest sanctioning organization.

**Continental Competition:** a competition with the Pan American Karate Federation or the Pan-American Sports Organization being the highest sanctioning body.

**International Competition:** a competition with the World Karate Federation being the highest sanctioning body.

**Regional Training Camp:** a local training camp for athletes living within one of either the BC, Ontario, Quebec or Atlantic regions

**Inter-regional Training Camp:** A joint regional camp between two or more of the existing regional training centers.

**National Training Camp:** A camp for targeted Senior National Team athletes

**International Camp:** A multi-national camp held collaboratively with national teams from other countries.

**Alternate Athlete:** An alternate is an athlete who is selected as a late replacement to fill a spot left vacant for a specific competition or training camp after an athlete originally selected through the ordinary selection process has pulled-out or is declared unable to participate, due to injury, illness or other circumstances.

**Training Partner:** An athlete not on the National Team roster who has been invited to participate in a training camp to enhance the competitive environment of the camp.

## 2. INTRODUCTION

These criteria were written against the backdrop of the unprecedented global coronavirus pandemic and associated COVID-19 disease, which necessitated the cancellation or rescheduling of domestic and global sporting events. While indications are that this pandemic is nearing an end and the domestic and global sporting contexts are returning to pre-pandemic conditions, Karate Canada continues to follow the coronavirus pandemic's evolution globally and will keep abreast of all changes. Unless otherwise required by exceptional and unforeseen circumstances related to the coronavirus's impact, Karate Canada will respect these published selection criteria as written.

However, situations related to the coronavirus pandemic may arise that require this selection criteria to be modified. Any modifications will be made promptly and as often as needed following developments that directly impact the selection criteria. In such circumstances, any changes will be communicated to all affected individuals as soon as possible.

Further, situations may arise that do not allow these selection criteria to be modified or applied as written due to time constraints or other exceptional and unforeseen circumstances. In such situations, any decision, including nomination decisions, will be made by the individual(s) with decision-making authority in consultation with the relevant individual(s) or Committee (s) (as applicable), and following the stated performance objectives and selection philosophy and approach as noted herein. Should it be necessary to make any decision in this manner, Karate Canada will communicate with all affected individuals as soon as possible.

These selection criteria will be in line with the AAP Carding Criteria for 2023-2024 and apply to all Senior Kumite and Kata National Team members, considering any current ranking points and statuses earned in the current or previous seasons. Ranking points accumulation will be based on Part II, Table 2 of this document.

The decisional authority delegated to the Head Coach in this document is restricted to the discipline over which the Head Coach presides. Also, any reference to the National Team Head Coach will refer to either the individual filling that position permanently or an appointed temporary substitute if the Head Kumite or Kata Coach position is vacant.

The classification of “development”, “domestic”, “continental” and “international” tournaments, and the points that athletes can accumulate at each one, will be determined by the National Head Coaches on an annual basis, pending approval by the High-Performance Committee (HPC).

The schedule of international tournaments or training camps for the National Senior Team Roster can be modified during the season by giving at least eight weeks of notice before the scheduled beginning of an event. Karate Canada (KC) may cancel participation in any of these events due to unforeseen circumstances. These circumstances may include rescheduling or cancelling the event, budgetary constraints or other factors present at the time that are considered detrimental to KC's performance objectives as determined by the HPC.

KC reserves the right to amend these Criteria after the date of their original publication. This change may be required to align with international karate sport governing bodies (WKF, PKF ) and other external agencies/partners (Canadian Olympic Committee, Sport Canada, Own the Podium) to achieve KC's

primary objective of obtaining podium results and achieving success at certain WKF or PKF competitions.

All funding directed to athletes, as stipulated in Part II, Table 4, will be a function of Karate Canada's budget and the athlete's status at the time of selection for a targeted event.

### **3. OVERALL PHILOSOPHY AND VALUES OF CRITERIA**

The following criteria are designed to meet two objectives:

1. To ensure that Karate Canada fields the most competitive teams as possible following the long-term objectives of the KC High-Performance Plan, and
1. To develop future athletes to ensure a healthy and continuous pipeline of athletes representing Karate Canada at designated events.

The values used by the HP Committee when developing the Selection Criteria and for decision making in selection-related matters are as follows:

- Transparency
  - Ensuring that the selection process and decisions are clearly and fully communicated to KC stakeholders.
- Performance Excellence
  - Ensuring that decisions and criteria are guided by the philosophy of always selecting the best possible team for Karate Canada within the consideration of funding and long-term performance objectives.
- Athlete Safety and Well Being
  - To ensure that athletes are not forced or coerced into over-competing or competing in inappropriate competitions, or at the wrong time of their training cycles.

## **4. HOW TO GET ON THE SENIOR NATIONAL TEAM ROSTER**

Competitive karate is composed of the two distinct disciplines of kata and kumite. Within Karate Canada's Senior National Team structure, each of these disciplines is led by a defined head coach. All references to "Head Coach" and their decisional powers in this integrated selection criteria document refer to the discipline-specific Head Coach.

There are three distinct categories of Senior National Team divisions for which athletes may be selected by the accumulation of Karate Canada ranking points: 1) individual kumite, 2) individual kata and 3) team kata. Each of these categories is broken into the gender categories of male and female. Individual kumite is broken further into discrete weight divisions.

Selection onto the male and female team kumite division teams is not achieved through the accumulation of Karate Canada ranking points. Please see Section 7.2 of this document for further details.

### **4.1. Entry to the Senior National Team Roster**

Within five working days of the conclusion of the 2022 Senior National Karate Championships, a National Team Roster of eligible athletes will be announced. The placement and ranking of athletes on the roster will be directly related to their status and ranking point total after the 2022 Senior National Championships. If the status and accumulation of performance/ranking points do not determine a single specific athlete, the tie-breaking criteria detailed in Section 6.1 of this document will be applied.

The subsequent selection of specific athletes to represent Canada at any KC designated karate competitions during the season will:

- Occur at defined times before each competition. See Part II, Table 2, for details.
- Be based on status and accumulated performance/ranking points at the time of the invitation. If the status and accumulation of performance/ranking points do not determine a single specific athlete, the tie-breaking criteria detailed in Section 7.1 will be applied.
- Be drawn only from the National Team Roster at the time of the invitation except for situations described in sections 4.2 and 4.3 below.
- Depend on the total size of the Team at each event, as determined by Karate Canada's budget and HP Plan, or by that specific tournament Organizing Committee's requirements.

## **4.2. Late Entry to the National Team Roster**

If an athlete not originally named to the Senior National Team Roster accumulates enough points at WKF Karate-1 events to gain status in a category listed in Section 5.0 below, they will be added to the Senior National Team Roster at the time that their accumulated points make them eligible, without waiting until the next selection period.

## **4.3. Selection of Athletes to Fill Vacant Spots in the National Team Roster**

If a roster spot is left vacant after KC's invitations to the Senior National Team Roster process, the Senior National Team Head Coach may choose another athlete to fill this spot.

In such a case, the athlete must be named to the National Team Roster at least 14 days before the beginning of the first event in which they will be selected to compete. The athlete must have earned a podium result at the most recent KC Team Trials or National Championships in the respective discipline of which the vacant spot has occurred. The athlete will be subject to all other team requirements and must be approved by the High-Performance Committee.

## **4.4. Citizenship Requirements**

Non-Canadian citizens may be named to the National Team Roster and, thereby, earn ranking points at National Championships and at open registration tournaments listed in this document if and only if they are permanent residents. Only upon the attainment of Canadian citizenship will they become eligible to be named to a National Team representing Canada at Pan American Championships or Games, official Intercontinental or World Championships. Non-citizen athletes on the National Team Roster will receive no National Team program funding from Karate Canada and are not eligible for Sport Canada Carding (Athlete Assistance Program).

## **4.5. Selection of an Alternate Athlete for a Targeted Event**

Should there be a vacancy in a National Team preparing to represent Canada at a targeted event, an alternate athlete may be selected utilizing the criteria detailed in Section 7.3 of this document. An alternate athlete named onto the National Team for a specific competition immediately becomes a Senior National Team Roster athlete for the remainder of the season. Karate Canada is under no obligation to select an alternate for either a training camp or a competition.

## **4.6. National Team Competitions**

Senior National Team Kumite athletes will be invited to compete in specific competitions each season. The list of competitions targeted for the current year is contained in Part II of this document. Senior National Team Roster athletes may also choose to engage in other open registration competitions; however, no coaching staff, logistical support, nor funding may be provided by KC to athletes participating in these self-selected additional tournaments. Ranking points earned at self-selected additional competitions will be awarded according to the results in designated competitions as per Part II, Table 2 of this document.

#### **4.7. National, Regional and Inter-Regional Training Camps**

All invited Senior National Team Roster athletes residing in Ontario or Quebec must participate in all mandatory Regional or ON- QC Inter-Regional Training Camps, if they live within a 200 km radius from the training camp venue, for Regional Camps, or within a 300 km radius from the training camp venue for Inter-Regional Camps. Athletes living outside of the 300 km perimeter will be exempt from mandatory Participation in QC-ON Inter-Regional Training Camps.

Furthermore, to remain on the Senior National Team Roster, invited Senior National Team Roster athletes must participate in all mandatory Regional Training Camps if they reside within a 200 km radius from the training camp venue. Athletes living outside of this perimeter will be exempt from mandatory participation in Regional Training Camps.

Each camp's date(s) and location will be announced at least four weeks before the beginning of each training camp. KC has the right to change the dates or location of any mandatory camps or cancel a camp, provided at least two weeks' notice is given to Senior National Team members.

Part II of this document contains a list of mandatory Regional or Inter-Regional camps for the current season (dates and locations remain subject to change). Please note that Karate Canada may add another Regional Training Centre during the season. Further, Karate Canada may institute virtual training camps if the need is determined to exist.

Other athletes may be invited to attend Regional or Inter-Regional Training Camps as training partners, but this does not mean they are on the Senior National Team Roster.

#### **4.8. Mandatory Events for Carded Athletes**

All Carded athletes will be required to participate in designated mandatory National or International Competitions and National/International Training Camps. Carded athletes living in either Ontario or Quebec must also attend all Ontario-Quebec Inter-Regional Training Sessions.

The dates and locations of the identified mandatory competitions and national/ international training camps may change from season to season and will be published no later than six weeks before the beginning of the camp or competition. The list of mandatory competitions and camps for Sport Canada carded athletes are included in Part II of this document.

Furthermore, all Carded athletes must attend all Regional Training Camps that they are invited to if they reside within a 200 km radius from the training camp venue. Carded athletes living outside of this perimeter will be exempt from mandatory participation in Regional Training Camps.

Failure to meet the requirements for Carded athletes may result in Karate Canada recommending to Sport Canada that an athlete no longer benefits from AAP support.

## 5. HOW TO OBTAIN A STATUS

Athletes accumulate points for their performance at the events listed in Part II of this document. A status can be obtained according to the following point accumulation:

International A:	600 or more points
International B:	201 to 599 points inclusive
International C:	131 to 200 points inclusive
National A:	75 to 130 points inclusive

### 5.1. Rules about Status and Ranking Points

- Points will only accumulate in individual kumite, individual kata and team kata divisions.
- An athlete/team must win at least two bouts in a competition to be awarded 100% of the points allocated for that competition.
- An athlete/team who obtains a result, with only one win in that competition, will be awarded only 50% of the points allocated for that competition.
- If an athlete/team obtains a result with no win, he/she will not be awarded any ranking points.
- A win through a bye or absence of an opponent will not be counted as a victory and will not be counted towards point accumulation.
- Points obtained in a division can only be accumulated within that same division and cannot cross-accumulate with other disciplines (i.e. kata and kumite) or divisions (i.e. kumite weight division, individual kata and team kata).

### 5.2. Strength of Field

Points for all international events will be reduced if the number of elite-level competitors in that competition (known as the “Strength of Field”) does not satisfy requirements.

#### 5.2.1. Strength of Field Categories:

- An athlete in Top 8 at the most recent World (WKF) Championships
- An athlete in the Top 5 at the most recent Pan American (PKF) Championships
- An athlete in the Top 5 at the most recent European (EKF) Championships
- An athlete in the Top 5 at the most recent Asian (AKF) Championships
- An athlete in the World Top 20 in the WKF Sport Data rankings

#### 5.2.2. Requirements:

To receive full points for gold at a Karate-1 event, there must be two opponents from any one of the five Strength of Field categories in the athlete’s division at the event. If the division only includes one opponent from any of the five Strength of Field categories, only 75% of that event’s designated points for gold are awarded. If the division does not include any opponent from any of the five Strength of Field categories, only 50% of that event’s designated points are awarded.

To receive full points for silver at a Karate-1 event, there must be two opponents from any one of the five Strength of Field categories in the athlete's division at the event, with at least one such athlete on the athlete's side (half) of the elimination sheet. If the division only includes one opponent from any of the five Strength of Field categories, 75% of that event's designated silver points are awarded. If the division does not include any opponent from any of the five Strength of Field categories, only 50% of that event's designated points are awarded.

To receive full points for any other result (below a gold or silver finish) at a Karate-1 event, the athlete must be positioned on the same side (half) of the elimination sheet as at least two opponents from any one of the five Strength of Field categories. If only one opponent from any one of the five Strength of Field categories is on the same side/ in the same half of the elimination sheet as the athlete, only 75% of that event's designated points are awarded. If no opponents from the categories below are on the same side/ in the same half of the elimination sheet as the athlete, then only 50% of that event's designated points are allocated for that event.

Should performance points earned at a competition be subject to point devaluation both under the Strength of Field criteria and based on the number of matches won (as per 5.1), Karate Canada will consider the lowest of the two-point totals for the competition. It will not devalue the ranking points twice for the same competitive result.

### 5.3. Point Duration

The table below details the duration that Karate Canada ranking points remain valid.

Competition	Placement	Point Duration
Olympic Games, World Games, Senior World Championships	Podium	Two years with 50% decay in 2 <sup>nd</sup> year
	Top 8	One year
Pan American Games, Senior Pan American Karate Championships	Gold	Two years with 50% decay in 2 <sup>nd</sup> year
	Silver and Bronze	One year
World Karate Federation Karate 1 Premier League and Series A Competitions	Top 8	One year
Karate Canada Senior National Championships	Podium	From event to event.
Commonwealth Karate Federation Championships	Podium	One year

The start date of an athlete's points is the last day of the competition at which the athlete achieved the result for which the ranking points were awarded. Points earned for a competitive placement include points earned for matches won as per Part II Table 3 of this document. All earned points are subject to the duration and decay schedule above. When an Athlete is awarded a Status through the accumulation of points, the Athlete's Status will only last if the points are maintained to keep that athlete within the respective brackets of statuses.

## **6. SELECTION CRITERIA FOR THE NATIONAL TEAM ROSTER**

Sections 6.0 and 6.1 apply to all individual male and female kumite weight divisions, individual male and female kata and male and female team kata.

To become eligible for selection onto National Teams that will participate in KC sanctioned events throughout the season, athletes/teams will be selected onto the National Team Roster in the following order of priority:

1. International A status-holding athletes;
2. International B status-holding athletes;
3. International C status-holding athletes;
4. National A status-holding athletes;
5. 'Coaches' "Discretionary Selection" athletes – are athletes who may fill open spots, if any, as selected by the Head Coaches.

KC and the Head Coaches are under no obligation to fill vacant spots when selecting/naming the National Team Roster.

### **6.1 Tiebreaking Criteria for Selection onto the Senior National Team Roster**

The tiebreaker process for selection onto the National Team Roster will be as follows if two or more athletes hold the same status or the equal number of points:

1. The athlete with the higher total number of current KC ranking points earned from a performance at the most recent Senior World (WKF) Championships, the most recent Senior Pan American (PKF) Championships and WKF Karate-1 competitions (maximum of two competitions) within the last year will be selected;
2. If the tie persists, the athlete with the highest total number of matches won at WKF Karate-1 competitions (maximum of two competitions) within the last year will be selected. If an athlete has won matches at more than two Karate-1 events, the two events with the highest totals of matches won will be considered after applying the Strength of Field criterion.
3. If the tie persists, the athlete with the highest total number of matches won at the most recent Senior Pan American (PKF) Championships will be selected.
4. If the tie persists, the athlete who obtained the best result (in that division) at the most recent Karate Canada Senior National Championships or Senior National Team Trials will be selected. This criterion will only be applicable if all tied athletes in each division have competed in that division at these Championships.
5. If the tie persists, the Senior National Team Head Coach will decide the final selection and must be approved by the HP Committee.

The naming of an athlete to the National Team designated to attend a specific targeted event will be made following ranking point accumulation at the time of the selection (see section 7.0).

Unless specified otherwise in this document, selection onto the National Team for a targeted competition will occur no later than 30 days before the start of the competition or at specific dates designated in Part II of this document.

## **7. SELECTION CRITERIA FOR NATIONAL TEAM AT SPECIFIC INTERNATIONAL COMPETITIONS**

Section 7.0 and 7.1 apply to all individual male and female kumite weight divisions, individual male and female kata and male and female team kata.

To participate in any Karate Canada-sanctioned competitions, athletes will be selected from the National Team Roster (see possible exceptions at 4.5 & 7.3). Selection will occur in the order of priority shown below.

1. International A status-holding athletes;
2. International B status-holding athletes;
3. International C status-holding athletes;
4. National A status-holding athletes;
5. All medalists from the most recent Senior National Championships or Senior Team Trials
6. Coaches' Discretionary Selections.

This selection order and criteria do not apply for "development competitions" that do not carry Karate Canada ranking points. Athletes may be selected for participation in these competitions at the discretion of the Head Coach. Athletes must be notified of selection for these events at least eight weeks before the event start.

The team's size will be based on the number of athletes participating in each division at each event. The COC may set total team size and athlete quotas in competitive divisions, WKF, PKF or the respective event organizing committee. Total team size may also be restricted due to limitations within Karate Canada's budget.

Once selected to represent Canada at an international event, athletes may be required to participate in a mandatory pre-competition National Training Camp. Public announcement and athlete notification of all mandatory pre-competition training camps will follow the guidelines presented in this document.

### **7.1. Tiebreaking Criteria for National Team Selection**

When two or more athletes hold the same status, the total number of KC ranking points obtained by each athlete at the time of selection will be compared to determine which athlete will be selected. Should a tie in points exist, the tiebreaking process for selection onto the National Team for any specific event will be as follows:

1. The athlete with the higher total number of current Karate Canada ranking points earned from a performance at Senior World (WKF) Championships, Senior Pan American (PKF) Championships and WKF Karate-1 competitions will be selected;

2. If the tie persists, the athlete with the highest total number of matches won at WKF Karate-1 competitions (maximum of two competitions) within the last year will be selected. If an athlete has won matches at more than two Karate-1 events, the two events with the highest totals of matches won will be considered after applying the Strength of Field criterion.
3. The athlete with the highest total number of matches won at the latest Senior Pan American (PKF) Championships will be selected if the tie persists. Matches won at these Championships will also be weighted and valued according to the Strength of Field criterion.
4. If the tie persists, the athlete who obtained the best result (in that division) at the 2020 Karate Canada Senior National Championships or Senior Selection Event will be selected. This criterion will only be applicable if all tied athletes in each division have competed in that division at these Championships.
5. If the tie persists, the Senior National Team Head Coach will decide the final selection and must be approved by the HP Committee.

## **7.2. Athlete Selection for Team Kumite**

Selection of athletes participating in Team Kumite events, during international competitions, is at the discretion of the Senior Kumite National Team Head Coach, but selected athletes must meet one of the following criteria: They must either:

- be current National Team Roster athletes, or;
- have participated in kumite at the latest Senior or Junior National Championships, or;
- have been a National Team Roster member in the previous season

The HP Committee must approve the selection of alternates by the National Team Head Coach. As soon as an athlete is named onto a team for a specific competition as an alternate or to fill a vacant spot, he /she immediately becomes a Senior National Team Roster athlete, for the remainder of the season. Please note that no Karate Canada ranking points will be allocated for performance in the Team Kumite division.

## **7.3. Alternates / Late Athlete Replacement**

If an athlete selected to attend a specific competition or camp through the process detailed in this document cannot attend or is declared unable to participate due to injury, illness or other circumstances, an alternate athlete may be selected to fill the vacant spot. Karate Canada is under no obligation to choose an alternative to either a training camp or an international competition; however, if an alternate is selected, the following process will be followed.

### **7.3.1. Individual Divisions**

Should a selected athlete, at any time between the official date of team selection for a specific competition or training camp and the latest possible date on which KC may modify registrations in said event, have pulled out or have been declared unable to participate due to injury, illness or other circumstances, that athlete may be replaced by the highest-ranked eligible alternate in his or her division, according to the following decreasing priorities:

- International A status-holding athletes;
- International B status-holding athletes;
- International C status-holding athletes;

- National A status-holding athletes

If more than one eligible athlete holds the same status, tiebreaking for the selection of alternates in individual divisions are to follow the Tie-Breaking Criteria listed in Section 7.1 above.

The selection of alternates after exhaustion of the priorities listed above is at the senior national team head coach's discretion. However, selected athletes must either be current National Team Roster members or must have participated in the latest National Championships or Team Trials. The HP Committee must also approve the selection of alternates by the National Team Head Coach. As soon as an athlete is named onto a team for a specific competition as an alternate or to fill a vacant spot, he /she immediately becomes a Senior National Team Roster athlete for the remainder of the season.

### **7.3.2. Team Kata**

The selection of alternates (for replacement of an athlete due to injury or who has decided to retire or withdraw from the team willingly), in Team Kata divisions, can be recommended by the remaining kata team members (athletes) themselves but must be approved by the Senior National Team Kata Head Coach and by the HP Committee. Not more than one alternative may be selected per kata team.

As soon as an athlete is named onto a team for a specific competition as an alternate or to fill a vacant spot, he /she immediately becomes a Senior National Team Roster athlete, for the remainder of the season.

## **8. REQUIREMENTS, EXEMPTIONS AND APPEALS**

### **8.1. Requirements**

To remain on the National Team roster, each athlete must:

- Sign and adhere to the Karate Canada Athlete Agreement.
- Have and maintain a valid Canadian passport or be actively in the process of obtaining Canadian citizenship (as outlined in Section 4.4 above).
- Pay the required annual Senior National Team Package Fee in full and on time.
- Participate in all mandatory training camps individually required of them unless an exemption has been granted.
- Make weight for Kumite divisions. Failure to make weight at a mandatory competition will result in revocation of athlete funding, if any. For carded athletes, failure to make weight is considered a breach of their Carding agreement.
- Be within at least 5 % of target weight (i.e. the upper or lower weight limit of the division in which the athlete will be competing) no later than four weeks from the competition in which the athlete is selected to compete.
- Demonstrate appropriate maintenance of fitness and health level consistent with a high-performance athlete on a National Karate Team. The Head Coach may call for an independent fitness or health assessment in concerns about fitness and health.
- Always report any performance-limiting injuries or physical conditions to the National Head Coach, no later than two weeks before the next upcoming camp or competition, or within one week of the occurrence of the illness or injury,
- Provide appropriate medical information on the injury and its treatment. This includes diagnosis and proposed treatment protocol and estimated return to full training or competition.
- Keep the National Team Head Coach informed on their recovery plan and progress according to that plan.
- Provide an accurate mailing address, an active email address and all phone numbers at which they can be reached. Any changes must be sent to the Karate Canada Head Office promptly.

Note: it is an athlete's responsibility to update Karate Canada of any change to all relevant addresses to communicate essential data. Karate Canada is not responsible for missed deadlines or failure to comply by an athlete if the information is sent to an incorrect or inactive address(es) if Karate Canada was not notified of such changes.

### **8.2. Exemptions from National Team Camps or Competitions**

Exemptions from mandatory national team activities due to exceptional circumstances may include, but are not limited to (also see Appendix B):

- A recent death in the immediate family (within one month before the start of the Camp or Competition);
- Injury limiting participation or performance;
- Pregnancy; or
- Infectious disease

Requests must be made as soon as reasonably possible after the issue arises but no later than 24 (twenty-four) hours after the start of the event/activity by notification in writing to the Karate Canada Head Office. Notification of such an event must include details of the circumstances along with any supporting evidence scanned or emailed to the Karate Canada Head Office.

In the cases of injury, disease or other performance-limiting physical condition, the athlete must include a medical certificate indicating the specific problem, its severity and the estimated recovery time. Karate, Canada has the right to seek its own medical opinion before rendering its final decision.

**IMPORTANT:** An athlete who has sustained an injury must be present at all mandatory training camps unless the ability to receive appropriate medical treatment for that injury precludes that athlete from attending, or unless waived by the National Team Head Coach.

Karate Canada may withdraw an athlete whose condition persists and is unable to undergo full training during the two weeks before an event from the team representing Canada at that event.

Karate Canada will accept or reject all requests for exemptions and deliver its decision in writing within a reasonable time following receipt of a request for exemption. Such decisions will be final and without appeal.

### **8.3. Participation in Domestic Events**

Participation at Domestic competitions (other than National Championships and Training Camps announced in these Criteria) will be mandatory only if KC, or the event's organizing committee, covers the full costs of travel and accommodation, and if notice is given to the athlete at least eight weeks notice before the start of the event.

The National Team Head Coach will consider exemptions to mandatory participation based on the same criteria contained in section 8.2 above.

### **8.4. Appeals**

Appeals regarding team selection are limited to the incorrect application of criteria or the development of new and previously unknown information relevant to the appeal. For any appeal, please refer to the Karate Canada's Appeal Policy.

### **8.5. Language**

Where / when there is a difference in interpretation between French and English versions of this document, the English version shall prevail.

selection for an event has occurred. The date on which statuses are to be considered for funding for an event will be at the discretion of Karate Canada.

When an Athlete is awarded a Status through the accumulation of points, the Athlete's Status will only last if the points are maintained to keep that athlete within the statuses' respective brackets.

## **APPENDIX A: AUTOMATIC INVITATIONS TO THE 2022 NATIONAL CHAMPIONSHIPS**

Please note that Karate Canada will automatically invite athletes that meet one (1) of the following five (5) criteria to the 2022 National Championships:

1. All Senior athletes holding a status (International A, B or C or National A) after the 2022 Karate Canada Summit regardless of any change in weight division within Senior kumite divisions.
2. All medalists from the 2022 Senior Team Trials.
3. All medalists from the previous (2019) Junior and Senior National Championships (including Youth division athletes), regardless of any change in age or weight divisions.
4. The two (2) top-ranked National Team Roster athletes in each division (at the end of the 2019 season), regardless of any change in age or weight divisions.
5. Junior National Team Roster athletes\* from the U21, Junior and Cadet divisions and Canadian Youth division athletes who, during the 2019-20 Karate Canada season, achieved a 5<sup>th</sup> place or higher in a 2019 WKF Youth League event, in the 2019 Junior PKF Championships or in the 2019 Junior WKF Championships, regardless of any change in age or weight divisions within Junior divisions (Youth, Cadet, Junior and U21).

Automatic invitations to the 2022 National Championships, according to the above five points, will only apply to the individual division in which the medal or rank was earned. That is, athletes automatically invited to compete in kata are not automatically invited to compete in kumite, and vice versa.

All automatically invited athletes must still meet team eligibility requirements set by their respective PTSO (i.e. participation in provincial selection tournaments and / or training sessions, etc.)

Automatically invited Kumite athletes may register in any single weight division at the 2022 National Championships regardless of the division in which they achieved their automatic invitation status.

All eligible athletes may compete in any age divisions they are eligible for.

Additionally, all automatically invited athletes must be active and current members in good standing of the National Team Roster, according to Karate Canada's National Team.
