APRIL 3-6 AVRIL

RICHMOND OLYMPIC OVAL
RICHMOND • BRITISH COLUMBIA
COLOMBIE-BRITANNIQUE

Greetings from the President of Karate Canada

On behalf of Karate Canada, I would like to welcome participants from across Canada to the 48th National Championship. This combined championship will take place in the city of Richmond, British Columbia from April 3 to 6, 2025.

The event will be hosted at the Richmond Oval, one of the main competition venues from the 2010 Winter Olympics which will provide participants with a world class facility in which to compete. Located close to Vancouver airport, transportation hubs and hotels, the Richmond Oval is easily accessible. Of course, if one wishes to see more than the airport, hotel and venue, the beauty of the Richmond/Vancouver area is immediately evident. Whether you wish to see the area around Richmond, explore the city of Vancouver, or venture into the coastal Rocky Mountains, the options are many and varied.

I would like to wish all participants the best of success and we look forward to seeing you in April.

A Special Welcome to All Participants of the 2025 Canadian National Karate Championships

On behalf of Karate BC, I am thrilled to welcome you to the 2025 Canadian National Karate Championships at the world-renowned Richmond Olympic Oval from April 3-6, 2025. This isn't just a competition; it's a defining moment in our journey together, and we are honored to host athletes, coaches, officials, and supporters from every corner of Canada.

Richmond, BC, is one of Canada's most exciting cities, known for its dynamic cultural diversity, breathtaking waterfronts, and a culinary scene that's second to none. We invite you to explore the iconic Steveston Village, where history meets the beauty of the Fraser River, and enjoy a taste of Richmond's famed night markets. With its vibrant charm, Richmond offers experiences that will leave a lasting impression.

Hosting the event at the Richmond Olympic Oval—a true legacy of the 2010 Winter Olympics—is a highlight in itself. This award-winning venue, with its sweeping views of the North Shore Mountains and cutting-edge sports facilities, sets the stage for an unforgettable championship. It's a place where world records have been set, and dreams have come true—a fitting setting for showcasing the best of Canadian karate.

We are grateful to Karate Canada for entrusting us with this prestigious event. It's not just about the medals; it's about celebrating the spirit of karate, creating lifelong memories, and inspiring the next generation of athletes. Together, we will make this a championship that echoes beyond the competition floor.

To all participants, volunteers, and supporters: thank you for being part of this extraordinary journey. Welcome to British Columbia. Welcome to Richmond. Welcome to the 2025 Canadian National Karate Championships!

25.2 COMPETITION SCHEDULE

Full details of the competition schedule should be available via Sportdata, as of **Monday, March 31, 2025**. A link to the competition schedule will be available and published by Karate Canada. **Please note this schedule will remain subject to changes.**

Para- athletes competing in Standing Mobility Impairment division must submit the full Karate Canada Medical Form, including confirmation of disability and the designated code(s) of disability. All forms must be submitted to the athletes' PTSOs.

The Karate Canada medical waivers will be uploaded via Trackie, along with citizenship confirmation. PTSOs must contact athletes about completing the required forms. **PTSOs must ensure that all competitors have provided the required documentation to Karate Canada by March 12, 2025.**

Please note no forms will be accepted past the deadline or on-site. Incomplete forms may lead to ineligibility to compete.

APPENDIX 1 –WILD CARD SYSTEM

Karate Canada member PTSOs will receive an allocation of wildcards directly related to the size of the teams that each registers for the Championships.

The Wildcard system helps to address several potential issues, such as teams from provinces with larger populations that may have four or five top performers in one division. This also allows top performing athletes who move from one province / territory to another mid-selection process, or top performing athletes who were forced to miss crucial provincial / territorial selection events due to illness, injury or due to the demands of the international calendar, to have an avenue for entry into the National Championships that may otherwise be closed to them.

This has no detrimental effect on the selection process that PTSOs adopt for the selection of their own teams leading up to the 2025 National Championships. It is simply an additional option that provides more flexibility to the PTSOs and the opportunity to register additional athletes that each PTSO feels has the skill level required to compete in the National Championships and / or might derive a benefit from participation.

ALLOCATION RATIOS:

Wildcard allocations will be as follows:

Team Size	<25 athletes	25-50 athletes	51-75 athletes	76-100 athletes	>100 athletes
Wildcards	2 entries	3 entries	4 entries	5 entries	6 entries

ELIGIBILITY CRITERIA:

Selection of athletes for registration in the 2025 National Championships through the “Wildcard” system will be left to the discretion of each PTSO (subject to Karate Canada approval); all PTSOs will however be expected to abide by the following minimum requirements for the registration of wildcard athletes.

To register one or more athletes in the 2025 National Championships as (a) wildcards, PTSOs must submit the name(s) and division(s) of the athlete(s) up to the maximum number of athletes allowed, as per the PTSO team quota allocation above – one entry = one wildcard) to Karate Canada (by email) no later than **11:59 (EST) on February 28, 2025**, along with a written confirmation that each of these athletes meets **at least one of the following four criteria:**

1. The athlete has placed 4th in the final rankings of the 2024-25 provincial / territorial team selections in that individual kumite division (excluding automatically invited athletes); or
2. The athlete has placed 5th in the final rankings of the 2024-25 provincial / territorial team selections in that individual kumite division (excluding automatically invited athletes), and the 4th place athlete in the same division has previously been offered the wild card and has declined it; or
3. The athlete has placed 5th in the final rankings of the 2024-25 provincial / territorial team selections in that individual kata division (excluding automatically invited athletes); or
4. Or the athlete has placed 6th in the final rankings of the 2024-25 provincial / territorial team selections in that individual kata division (excluding automatically invited athletes), and the 5th place athlete in the same division has previously been offered the wild card and has declined it.

(Exceptional nominations of wildcards falling outside the criteria listed above may exceptionally be considered on a case-by-case basis. However, the general spirit of the criteria listed above will be respected in approving or rejecting such nominations.)

Only athletes who are members of their PTSO, who meet at least one of the four criteria listed above, and whose names are submitted to Karate Canada by the appropriate PTSO authority (President, Executive Director or Team Head Coach) **no later than February 28, 2025** will be eligible to compete at the 2025 National Championships as wildcards. Karate Canada will review all submitted wildcard nominations and will confirm approval of these nominations with the PTSOs **no later than March 4, 2025**.

*** Please note: PTSOs must also register approved wildcards online via Sportdata by the online event registration deadline; individual athletes will be held to the published Trackie registration deadline.
